**THE 95<sup>th</sup> GRAND NEST CONVENTION**

**AN OPEN LETTER TO THE ST. LOUIS POND**

Dear Ganders,

On behalf of the Grand Nest, I want to thank all of our Ganders and Friends who played such a significant part over the past 5 - 6 years, to insure the success of our 95th Grand Nest Convention in St. Louis, August 5-8, 2001.

To **Randy Wilson** and his Convention Committee, whose dedication and hard ( but enjoyable ) work , made it all come to fruition at just the right time, I extend the grateful thanks of the Grand Nest.

All of the comments of our guests were favorable and the Honorable Order of Blue Goose International lived up to it's principles in the celebration in St. Louis.

Thanks again to one and all.

Fraternally,

*Chuck Cramer*, PMLGG
